Are you splitting a share with another family? Yes No

Please note that splitting a share adds a small additional fee of \$25 to help the farm cover our extra administrative costs and the increased traffic on the farm. If you are splitting a share you must either come to the farm at the same time each week or plan to alternate weeks with your share partner. Please include your share partners name and contact information above. Thanks!

Please select your 2019 share options:
